

Stanford | NATURAL GAS INITIATIVE
School of Earth, Energy & Environmental Sciences
and Precourt Institute for Energy

Natural Gas Initiative Affiliates Meeting
Paul Brest Hall, Stanford University, Stanford, CA 94305

Wednesday, October 12th, 2016

- 8:00 Continental Breakfast
- 8:30 Introductions, Welcome, and Current Status of NGI – Mark Zoback, Stanford
- 8:45-10:30 Natural Gas, Renewables, and Sustainable Development
- 8:45 Keynote: “Pathways to the Future for Natural Gas in a Carbon Constrained Environment” – George Minter, VP Policy and Communication, Southern California Gas
- 9:30 “Integration of Gas and Renewables” – Wolfgang Moehler, IHS
- 9:45 Panel Discussion
Bill Brown, NetPower and 8Rivers Capital
George Minter, SoCalGas
Wolfgang Moehler, IHS
Vikram Singh, TIAA
Sabrina Watkins, ConocoPhillips
Moderator: Mark Thurber, Stanford
- 10:30 Break
- 10:45-12:00 Natural Gas and Transportation
- 10:45 “Natural Gas in Transportation” – Tiffany Groode, IHS
- 11:05 “Cutting Edge Technologies in Clean Transportation” – Cherif Youssef, Southern California Gas
- 11:25 Panel Discussion, moderated by Brad Ritts, Stanford
- 12:00 Report on NGI Methane Conversion Workshop Results and Research Focus Area – Matteo Cargnello, Stanford

- 12:20 Lunch
- 1:20 Keynote Speaker: “Sustainable Development and Long-Term Social Acceptance of Natural Gas” – Sabrina Watkins, ConocoPhillips
- 2:05 Biogas, Biomethane, and Renewable Natural Gas – Francois Rongere, PG&E and Mallik Angalakudati, PG&E
- 2:35 The Outlook for Natural Gas: A View to 2040 – Lynne Taschner, ExxonMobil
- 3:00 Break
- 3:15-4:30 Future of Natural Gas Resources and LNG Markets
- Langtry Meyer, Texas LNG
Shi Xunpeng, Energy Studies Institute, National University of Singapore
Rick Wilkinson, Australia Petroleum Production and Exploration Assoc.
Frank Wolak, Stanford
Moderator: Brad Ritts, Stanford
- 4:30 Developing an Upstream Strategy: Reservoirs and Subsurface Focus Area – Mark Zoback, Stanford
- 4:50 Reducing Energy Poverty with Natural Gas – Tisha Schuller, Stanford
- 5:10 NGI News and Upcoming Events – Brad Ritts, Stanford
- 5:30-7:00 Poster Session and Reception
- Poster session includes Stanford research in natural gas and related areas with Stanford graduate student presenters
